

**MIDWAY SEWER DISTRICT  
RESOLUTION NO. 2009 - 11**

**RESOLUTION AMENDING DISTRICT CODE**

**Background:** RCW 57.08.005 and RCW 57.08.081 establishes that the Board may establish rates charges and fees for providing sewer services.

The City of Des Moines has increased its minimum charge for Right-of-Way Permits to \$540.00 and the District incurs additional costs in securing Right-of-Way Permits.

**Resolution:** NOW THEREFORE, BE IT RESOLVED, that the Board of Commissioners of Midway Sewer District approves the following action increasing the Permit Fee for Right-of-Way Permits:

Section 5.08.010 of the Midway Sewer District Code is hereby amended to read as follows:

5.08.010 Designated. Sewer permit fees shall be charged as follows:

- A. Side sewer permit fee for a single-family residence including RV parks and mobile homes: \$100.00.
- B. Side sewer permit fee for multiple living units: \$100.00 for the first unit and \$10.00 for each additional unit.
- C. Side sewer permit fee for commercial nonliving unit buildings: \$0.02 per square foot of building floor space, with a minimum charge of \$100.00.
- D. Mainline permit fee: \$100.00.
- E. Capping permit fee: \$25.00.
- F. Sewer relocation permit fee: \$50.00.
- G. Right-of-way permit fee: \$600.00.
- H. Deduct Meter permit fee: \$50.00

The code change shall become effective immediately.

**Adoption:** ADOPTED at a regular meeting of the Board of Commissioners of Midway Sewer District on October 14, 2009 the following Commissioners being present and voting:
