

**SIDE SEWER CONTRACTOR
BONDING AND INSURANCE REQUIREMENTS
FOR MIDWAY SEWER DISTRICT**

BOND REQUIREMENTS

1. A sample of acceptable wording is attached.
2. Permit bond in the amount of \$5,000.00.
3. Bond must be continuous in nature. We can not accept annual term bonds since we are not allowed to release surety bond until 12 months have elapsed since the latest project completion and acceptance date.
4. Thirty (30) days written notice of cancellation is required.

CERTIFICATE OF INSURANCE REQUIREMENTS

1. Midway Sewer District is to be named as an additional insured. Acceptable wording as follows:

A Midway Sewer District is an additional insured as respects the operation (named insured) as a side sewer contractor within its jurisdiction.
2. Contractor's State of Washington license registration number is to be typed on the certificate.
3. Forty-five days written notice of cancellation is required.
4. Combined Property Damage and Bodily Injury:

\$1,000,000.00 Each Occurrence
\$2,000,000.00 Annual Aggregate
\$1,000,000.00 combined single limit on owned and non-owned automobiles.

Further that the contractor should continue including the Midway Sewer District as an additional named insured under such coverage. It is also assumed that these people contractually agree to hold the Midway Sewer District harmless according to the usual terms of such provision.
